Privacy: In compliance with N.D.C.C. Section 10-32.1-95, social security or Federal ID numbers are not disclosed to the public. They are used by the Secretary of State to maintain accurate LLC files. The name may not be the same as, or deceptively similar to, any other name of a registered LLC, corporation, limited partnership, limited liability partnership, limited liability limited partnership, trade name, fictitious name, trademark or service mark, or a name that is in any manner reserved with the Secretary of State. The name may be used if the amendment is accompanied by a signed Consent to Use Business Name from the holder of the previously registered name and \$10, or by a certified copy of a judgment of a court in this state establishing the prior right of the applicant to the use of the name.

Filing of the articles of organization, or any amendment to the name, with the Secretary of State provides protection of the name in North Dakota. However, if a mark is registered with the Patent and Trademark Office in Washington, DC, the federal registration may supersede the protection afforded by state law.

COMMERCIAL OR NONCOMMERCIAL REGISTERED AGENT: A LLC must continuously maintain a commercial or noncommercial registered agent. If an alternate commercial or noncommercial registered agent is being appointed, or if the address of the noncommercial registered agent is being changed, the change can be reflected on this amendment.

A commercial registered agent must be registered as a commercial registered agent with the North Dakota Secretary of State. The appointed agent can verify their status as a commercial registered agent from their acknowledged filing and from the list of commercial registered agents maintained on the Secretary of State's website at sos.nd.gov.

A noncommercial registered agent may be one of the following:

- a. An individual residing in North Dakota,
- b. A domestic or foreign corporation, or
- c. A domestic or foreign LLC.

BUSINESS / FARM / PROFESSIONAL LIMITED LIABILITY COMPANY (LLC) ARTICLES OF AMENDMENT (continued)

A corporation or LLC appointed as a noncommercial registered agent must be registered with the Secretary of State, be in good standing, and have a business address in North Dakota. If a corporation or another LLC is named as a noncommercial registered agent, provide the "correct" name of the organization.

Seek the approval of the party before naming them as the commercial or noncommercial registered agent. Proof of the approval is not required to be filed with the Secretary of State. Failure to seek consent from the party named as agent may result in involuntary dissolution of the LLC.

Provide the correct name of the commercial registered agent, OR the correct name and address of the noncommercial registered agent. If the name of a commercial registered agent is not the same as registered by the commercial registered agent, the name will be corrected by the Secretary of State when the document is received. If a corporation or another LLC is appointed as registered agent, and the name of that organization is not the same as registered, the name will be corrected by the Secretary of State when the document is received.

If a new noncommercial registered agent is being appointed, provide the complete address in North Dakota which may not be only a post office box. Do not provide an address if a commercial registered agent is appointed. **If a commercial registered agent is named and an address is provided, the address will be removed by the Secretary of State.**

If adequate space is not provided on the form, continue the amendments on a separate sheet of paper as an Attachment.
